

# TECH-TRENDS LTD WEB SITE POLICY STATEMENT

## Legal

You may view the contents of this website for information purposes only. The information on this website is of a general nature only and does not address particular circumstances or requirements. It is provided 'as is' and without any warranty, condition or representation of any kind, whether express or implied. Suitable professional advice should always be taken in relation to any particular circumstances. Whilst we make every attempt to ensure that the information contained within this website is current and accurate, we cannot be held responsible for any errors it may contain. We may change any information on this website at any time.

References to third party events, or links to third party web sites are provided to assist you and are not intended as an official endorsement or recommendation of these events or website's, or any products or services offered.

We cannot be held responsible for the contents of the website's so referenced. We endeavour to maintain continuity at all times, but we reserve the right to withdraw the services should circumstances dictate.

## Accessibility

To ensure maximum accessibility this website conforms to standards set by the World Wide Web Consortium ([www.w3c.org](http://www.w3c.org)). If you have any issues regarding accessibility, then please contact us so we may try to address them.

## Links

Links from other sites to the Tech-Trends Ltd site are welcome provided the following conditions are satisfied:

- Content from this site must not be incorporated in other sites (for example, in-line or by framing) or otherwise be made to look as though it forms part of another site.
- Content on the this site may be linked to but must not be replicated. For example, you may link to one of our technology watch reports, but you may not mount a copy of it on your own site.
- While the URL's within this site will not be altered capriciously, the continued existence of any such URL is not guaranteed. Ensuring the validity of external links to this site is for those linking to the site.
